

SCORE 8 TIME

How to Play

Playing Scoretime® couldn't be simpler. All you have to do is select eight numbers out of 90 numbers, this represents the number of minutes in a football match and the times you select are the minutes when you think a goal will be scored. It's that easy.

NO ADDED TIME APPLIES TO SCORETIME® GAMES. THE GAME ENDS ON 45 AND 90 MINUTES!

GAME PLAY FOR SCORETIME®

You can choose to play one card, or as many cards as you like, you can even keep the same numbers if you wish and alternate the different matches available to play. You can only play eight numbers per card.

You can choose to play leagues from all over the world, and tournaments such as The World Cup in South Africa, The Champions League, The Europa League and all international Matches leading up to the European Championship, as well as all domestic leagues and cup matches.

Once you have registered your Scoretime® account your account will be credited and the each time you log in to play, your account will be credited with any winnings or your new amount added.

STAR GOAL(Extra 1.00 CREDIT payment)

By choosing STAR GOAL you have the chance to win Double!!(NOT AT JACKPOT)

If a player chooses the **STAR GOAL** and gets 3 to 7 numbers, then the player's winnings are doubled!

e.g. CREDITS 2 bet – wins 4 pays (56, 7, 36, 21 + STAR GOAL) EURO 15.00 Doubled to EURO 30.00

SCORE QUARTERS TIME

How to play

1. Score quarters time divides the match into 15 minute periods starting with 1-15 – 16-30 – 31-45 ht 46-60 – 61-75 – 76-90 again no added time is permitted.

2. Players can now decide which quarter they want.

a. When they think goals will be scored during these periods: if they get 2-5 goals in this specific quarter they win accordingly.

b. They can also choose how many goals will be in this specific quarter they have chosen and if they get the number they win accordingly.

If they think 3 goals will be scored between 1-15 minutes they select 3 goals if they think four goals will be scored they select 4-etc. variable odds will be offered on the number of goals as well as the period of time selected. players can play more than one period – but the betting will close one minute before the next period starts.

3. No star goal applies in this game – the variable odds offered will depend on the matches covered in the groups and will be at scoretime's discretion.

4. Only official scoretime times will be accepted for payouts.

ALWAYS CHOOSE COUNTRY/DIVISION/DAY AND THEN CHOOSE YOUR QUARTER AND GOALS.

SCORE 2-5 IN A ROW TIME

How to play

1. 2-5 in a row is how it sounds – players bet on when they think a sequence of goals will be scored in given periods

2. Example live betting a player selects at 14.55 on the day of the match – 2 – 3 – 4 – 5 – 6 – 7 – 8 – 9, at example odds of: 2 goals = evens, 3 goals = 3-1, 4 goals =10-1, 5 goals =30-1

*note these are just examples and can vary according to matches and teams.

3. Select number as above and period of betting

4. Play throughout the match – betting closes one minute prior to match start or to the next period

5. Players can play as many set they want of times at a time. no star goal applies in this game.

In the event of more than five goals being scored in a given period only five goals will be paid out and these winners will then be entered into a special prize draw.

ALWAYS SELECT COUNTRY/DIVISION/DAY AND THEN CHOOSE YOUR NUMBERS.
